IN THE MATTER OF THE APPLICATION OF  
GLOBAL WATER-PICACHO COVE WATER  
COMPANY FOR A CERTIFICATE OF  
CONVENIENCE AND NECESSITY

DOCKET NO. W-20495A-06-0769

STAFF'S LATE FILED EXHIBIT

At the hearing which was held on this matter on December 20, 2007, ALJ Harpring requested that Staff file revised rate design schedule and revised recommendations reflecting Staff's testimony at the hearing. On January 10, 2008, Staff filed the revised schedules and recommendations. However, one change to the recommendations was inadvertently omitted from the revised recommendations. Therefore, Staff recommends that is Recommendation 5 be revised to include an option to file an Arsenic Blending Plan, if a blending option is chosen to address the arsenic problem instead of treatment.

**New Recommendation 5:**

Picacho Water file with Docket Control, as a compliance item in this docket, a copy of the ATC for the arsenic treatment system or file a copy of the ADEQ approval of its Arsenic Blending plan within two years of the effective date of the order granting this application.

RESPECTFULLY submitted this 28<sup>th</sup> day of January, 2008.

Robin R. Mitchell
